We The People of The United States,

*in order to form a more perfect Union, establish Justice,
insure domestic Tranquility.*

*provide for the Common Defense, promote
the General Welfare*

and secure the Blessings of Liberty.

*to ourselves and to our
Posterity.*

do ordain and establish this Constitution.

for the United States of America.

The God who gave us life,
gave us liberty at the same time.

Thomas Jefferson

The Seniors Came

to school twelve long years ago. Each has been through many trying experiences, grades, and teachers. They survived this and now prepare to meet the world. Each shall follow his own path in the hope that these paths will someday come together in the aid of mankind.

and glow, hard and cold.

Through-out the school year the

Faculty

members not only displayed high qualities as educators but an enormous spirit in coping with different problems. The students found in them new friends which will be hard to forget. We hope that this is an accurate picture of what they were really like!

The Board Of Directors

spent most of the year promoting student and faculty activities. With this they hoped to obtain a high spirit to make of the 1975-1976 year the best.

The U.S. Bicentennial Year of 1976 marks the 48th anniversary of the American School Foundation of Monterrey. With a modest incipency in 1928 in Colonia Obispedo with a student enrollment of 57 and a teaching staff of three, the School has developed into a first-class educational institution of 1255 students. It is recognized as one of the best fully-accredited, bilingual schools in the world. One of the school's greatest periods of development has been from 1970 to the present under the

Able Leadership

of Superintendent George E. Winslow. Thanks to his sound educational background and keen perceptive visions, ASF has shown great strides of progress.

As the United States enters upon its third century of independence and the ASF approaches its golden anniversary, plans are underway for even further improvement in the school's physical facilities and instructional program. Despite multiple difficulties, the U.S.A. has maintained its status as a world power in democratic principles. By the same token, ASF has overcome seemingly insurmountable problems, and thanks to the friendly Mexican-U.S. relations, it continues to serve as a paragon for the training of young people to assume leading roles in the community in business, social and public service areas.

Congruent angles, algebraic equations, inequalities, these are some of the many terms used in math this year. The students were kept busy with homework and projects, about one every six weeks. The teachers were also very busy grading homework, tests, and quizzes. All in all,

The Math Department

has accomplished a great deal this year.

3.

The Spanish Department

this year dealt with the understanding of the language. Much emphasis was placed on improving the sentence structure. Many compositions as well as term papers were written. The students learned how to eliminate many unnecessary words in their papers and how to express themselves in a better manner.

Patience was one of the virtues of these teachers throughout the school year. Day by day they would hear requests for permission to attend bathrooms and to drink water. With each child there was something new to learn and with each question asked, a new world would flourish.

The Nursery Department

prepared children to be adults.

Last but not least,

The Maintenance Crew

helped to make the 1975-1976 school year one of the most successful. This group of people made possible many of the activities that were held throughout the year. With their collaboration many basketball, soccer, and volleyball games were possible. All over the school their work was noticed for the service they gave.

Of all the groups in school there is a group of students who is responsible for most of the achievements done throughout the year. These students belong to

The High School Groups

and participate in most activities. These activities run from sports to clubs sponsored by the school faculty. The subjects taken varied with the grade they were in. Some of the subjects taken were Biology, Mathematics, Chemistry, Physics and other subjects. Next year we hope the High School is as great as this year's.

The exchange program with Memphis, Tennessee was a highlight for Special English students. The program offered a special opportunity to practice and improve their English. Another method used to secure success in the language allowed these students to enter regular classes when their command of English was adequate.

"PROGRESS, MAN'S DISTINCTIVE MARK . . ."

First flight of Wilbur and Orville Wright, Kitty Hawk, North Carolina.

The 6th Grade

class was an active one this year, but though set to serious work, they still had time to share a laugh or new experience. One of their highlights this year was the program in honor of Benito Juarez's birthday. The class worked with vigor in all their projects and it was an adventurous year for all.

2. The 5th grade program was a success due to the patient cooperation of each student.

The American Bicentennial became an important theme for this year's

Fifth Graders.

One of the most spectacular programs of the year was a presentation of Bicentennial costumes by these students. Also presented were a play and choral readings. This and other programs were expansions of their regular classwork. They utilized the theory of learning by doing.

**The 200th
Anniversary Of
The American
Revolution**

Pictured at right are the 20 members of the Student Council with sponsor, Mrs. Gloria Garcia. Below left, Eugenio Galindo, President, and Chris Lambert, Vice President.

This year's Student Council has been very active. It has been as much if not more successful than any of the previous councils. It began with the greatest paper drive this school has ever had and continued on for an extremely successful bake sale. With much orgainizing and planning the

Student Council Produced

a Homecoming never to be forgotten. It was held at the time of the ASOMEX Basketball Tournament and invited all members of the visiting teams. For the first time at the ASOMEX Tournament, the Student Council took charge of all refreshments and produced record sales.

1.

2.

This year the

Student Council Activities

were well conducted with great success. From the start of the year their job was hampered either by financial means or other unforeseen problems. Their first activity was the paper drive which had great success with the cooperation of all students of the American School. Several tons of paper were collected and a large profit was drawn making the Student Council victorious.

Above left, Susan Hughes, Secretary, and Tom Townsend, Treasurer.

Picture at right: Miss Bottino. Below standing left to right Mari Pagola, Johnny Clements, Alba Bottino (sponsor), Candy Baldwin, Chip Boldin, kneeling Susana Hughes, Jeanne Mullin, Mark Hutchinson, Jan Winslow, Lori Bedwell, Joey Caldwell, Susi Bianchi, Johnny Mullin, Patsy Schneider, Elizabeth Pease, and Jim Baldwin.

Throughout the year, Ms. Bottino organized a club which has helped the students learn self expression.

The Drama Club, Through

many hours of practice and endurance helped produce three extremely successful plays. The students learned to express themselves in a formal manner,

1.

2.

Tom Townsend, left, one of the more experienced actors, looks for perfection in his lines and movements. Jennifer Evans, below, a newcomer this year shows herself to be a brilliant actress and some day may reach great heights. Jim Orrell and Patsy Schnieder, below right, add a little fun and humor to the sometimes monotonous practices.

yet at the same time, the audience was completely captivated. Many students looked forward to the drama presentations and their expectations were fulfilled. A few of the students who participated in the plays enjoyed presenting them so much that they would eventually like to participate in future plays not only here at the American School, but also in college.

At right, Mari Pagola concentrates on a portrait sketch. Below left, Mr. Roland ends a long, hard day in his usual state of bewilderment. Below right, Cristina Andre and Tom Townsend discuss their ideas for a project.

Mr. Roland and his group of young followers have been busy with many

Different Art Medias

to make this year especially beneficial for the Art Club. Most of their time was spent in individual projects ranging from rug hooking to mosaic creations. Led by their sponsor, Mr. Craig Roland, and Club President Cristina Andre, the club members have been encouraged to try their hand at several art variations, or to perfect their favorite areas. The past year has brought several new additions to the diversity of the Art room. A kiln for ceramic work has been added and also a darkroom to develop pictures and experiment with photography. Art certainly contains something for everyone and the ASF Art Club does a good job of providing just about everything.

1.

2.

3.

Mr. Roland, left, pleads for quiet from his enthusiastic (as shown by "Red" Townsend in background) listeners. Below, Art Club members left to right, Ed Rojo, Brian Voss, Cristina André, Bobby Hegedus, and Craig "Da Vinci" Roland, pose in typical "one for all, all for one," style.

Miss San Dee Coolidge, right is caught by surprise by the yearbook photographer on her way out of the Hamlet Theatre after a rehearsal. Below the choir and Director Coolidge pose for the yearbook photo.

Concerts, Talent Show, slumber parties and good times kept the

AST Girls Choir Occupied

during the 1975-76 school year. The girls looked their singing best at each performance dressed in their new choir outfits. That they are having a good time can be seen by the smiling faces in the photos below.

Seated left to right, Jan Winslow, Cristina Szucs, Elizabeth Pease, Joey Caldwell, Romelia Macias, Cindy Winslow, Marie Ontiveros, and Suzie Bianchi. Standing left to right, Lisa Cathcart, Gabriela Eisele, Susana Hughes, Polly Barrett, Lori Bedwell, and Stephanie Coffey.

The Science Club.

although not very active, did explore and investigate the wilderness on a couple of their field trips. From left to right: Elithabeth Macías, Miss Virginia Colley, Mr. Steve Chaffey, Bobby Hegedus, Perry Chapman, Mike Barrett, Sergio Sedas, Mr. Frank Willits.

Who can this charming, test loving mad scientist be? Although Mr. Chaffey appears to be plotting how he'll ever average on his next exam, actually his new earth shoes are too tight!

Above, members and sponsors of the Science Club, left to right, Mr. Steven Chaffee, Perry Chapman, Bobby Hegedus, Sergio Sedas, Miss Virginia Colley, Elizabeth Macias, Mr. Frank Willets, and Mike Barrett (seated), ponder the results of an experiment. Below, club members and sponsors pose for the yearbook photographer. Standing left to right, Elizabeth Macias, Miss Virginia Colley, Mr. Steven Chaffee, Bobby Hegedus, Perry Chapman, Mike Barrett, Sergio Sedas, (kneeling), and Frank Willets, (kneeling).

Above, Margarita Saénz, Homecoming Queen for 1975-76, walks to take her place on the throne. At right above, Mrs. Betty Garza and Mr. Harry Hamlet open the dance with a turn around the floor. Center, Homecoming Queen Margarita Saénz, her escort Felipe Rubio, and court left to right, Adriana González, Monica Gomez, Stephanie Coffey, Loly Calderon, and Cristina André.

In attendance at the

Homecoming 1976 Ceremony

were students of American Schools of Mexico City, Puebla, Durango, Torreon, Guadalajara and Queretaro. Students from these schools were supporting or were basketball team members. At the ASOMEX basketball tournament played at the American School of Monterrey the presence of additional students provided enough dance partners for everyone. Music for the Homecoming Dance was quite loud and many were surprised the Casino Del Valle still had windows! Generally speaking, everyone concluded Homecoming 1976 was definitely well attended and good times were had by all.

Above, princesses for the 1975-76 Homecoming walk to take their places beside the Queen. Clockwise: Stephanie Coffey, Loly Calderon, Adriana González, And Cristina Andre.

Darlings at right stand in one of their regular dance formations. They are left to right, Carla Theissen, Judy Terrazas, Marcela Amaya, Ma. Eugenia Amaya. Below the group assembles for their yearbook photo.

The 1975-76 Monterrey Darlings were few in number but great in spirit. Consequently, because of size and relative inexperience, the Darlings did not perform as many times as in past years. The

Darlings Were Glamorous

in their new uniforms. Many people saw the new uniforms during one of the ASF basketball games when the girls performed. IBM Corporation invited the girls to perform at a convention held in Monterrey earlier this year. In appreciation for their excellent performance, the girls received small elephants to be worn on a chain to bring good luck. The Monterrey Darlings goal for the 1976-77 school year will be new dance routines and more members.

In formation at left, Gay Ceyler, Nelly Abrego, Cecelia Preciat, and Lisa Groblien. Below left to right, Carla Theissen, Judy Terrazas, Marcela Amaya, Ma. Eugenia Amaya, Nora Elizondo, Angela Sacnz, Marcela Ortis, Olga Hinojosa and Barbara Criollos.

One of the performers during the pep rally was a song about 12 years of school. It was sung and acted out by the following (left to right): Patsy Schneider, Jeanne Mullin, Cristina André, Mary Ontiveros, Cindy Winslow, Vanessa Koubratoff, Kathy Watts, Mari Pagola, Alison Marsh, Mark Hutchinson, Judy Suarez, Stephanie Coffey and Elizabeth Pease (not pictured)

The 1976 Pep Rally

promoted great school spirit and gave the basketball players representing their school a reason for winning their games and not letting down their supporters who cheered and even sometimes suffered when times were bad. The pep rally took place in the Harry Hamlet Theatre. All classes attended to see it because by that time the Eagle spirit was overflowing and the word everyone knew was WIN.

Ah yes, the typical Bachillerato classroom. Beverly Van Der Mersch seems to have a date after class. Is Roberta Sappington helping or not? Meanwhile Tom Scamati tries to figure out how to chew gum while Baudelio Garza watches Roberta and Beverly. Maybe Craig Roland, Steve Chaffee and Salvador Garza haven't witnessed a "preening" scene before.

Above: Well at least they are from an American School. Below: A typical Bachilleres class was initiated by the school faculty making the audience in the Pep Rally laugh.

As the ASOMEX tournament came this year, the American School varsity team had never before had such confidence. They had felt their hours of practice, sweat as well as their physical and mental fitness would bring together a championship team. The ASOMEX tournament was a rough time for the varsity team. They had to fight and play their hardest in every game. There was no letting up, or resting for them. Mexico City played a fantastic game, winning the championship game and our varsity team came in a hard played second.

These action shots show what made the Varsity Team excel in their league this past season. Carlos Barrett breaks for one of his many layups. Felipe Rubio known for his height and jumping ability. Always in the action, he could out jump any opponent which was a great help on rebounds. Through practice the players realized they must get together as a team, which they did with amazing style.

The Varsity Basketball Team consisted of young players eager to make a name for themselves and their school. Practices were held for two hours a day for almost seven grueling months. At the end of the season they had only lost to two teams in the two tournaments they had entered. The boys were backed by coaches, teachers, and students like never before. Their spirit was one of good conduct and great expectations.

The

AST Elementary Eagles

had a good season, plus they learned many new tricks that could be applied to the game.

Coach Bortoni is shown shooting a basket. His concentration is very noticeable, and one of his players is shown driving for a layup.

THE ELEMENTARY BASKETBALL TEAMS, under the well experienced guidance of their coach Horacio Bortoni, trained hard during the 1975-76 school year. They placed considerably high in their respective league. The ASF has always taken great pride in its elementary teams. This year it was no exception.

Soccer this year had great acceptance among the students of the ASF: 6 teams of different categories enrolled in various leagues of the city, having an outstanding performance. The

Varsity Team

re-inforced by ex-students, had their best showing ever. Winning more than fifteen games they made third place in the city league. Every day practices were identified by the effort that all of the members of the teams showed.

The Intermedia team went to the annual ASOMEX tournament in Guadalajara where they achieved an

Honor Place.

In the city league they came in second place demonstrating the quality of their game. The Infantil and Infantil Junior B teams acquired throughout the year experience which will help them in a future to come. All of the teams had a common denominator; every time they played they gave everything they had.

The 1975-76 year was characterized by a new

Soccer Spirit.

New goal posts were built and the field was given special treatment. Games were played every weekend and many students assisted to cheer for the school's teams. A group of students from first and second grade made the Principiantes team. Their goal was to get, by practice, a better technique playing.

The Infantil

Junior A team had a very good campaign. They came in third place in the league. Their work was well paid off. Under the able leadership of coach Angel Salinas all of the ASF teams did a marvelous job. We can say without doubt that this year was the best year.

team consisted of girls willing to work hard for their goals. Standing from left to right are: Martha Fernandez, Carole Koubratoff, Susana Hughes, Vanessa Koubratoff, and Coach Johnson. Bottom Row: Tina Wolcott, Cindy Winslow, Loly Calderon, Lorena Rodriguez, Rocío Preciat.

Here are a few scenes from the ASOMEX tournament in which the girls show their fighting spirit, not willing to let up for one minute.

The 1976 ASOMEX Basketball Tournament turned out to be a great success for our school. For the girls it was a time never to be forgotten. They played hard, and it paid off with a first place victory. They were great sports, and played as a team. This shows why they ended up as number one.

The girls proudly receive their trophy for first place. Many hours of practice were behind the "big games". Teamwork is a necessity among champions. The girls proved they could play as a united team. They showed they were prepared mentally and physically to defeat their opponents.

A long season over, a season in which the girls put 100% of their efforts towards making a victorious team. Martha Fernandez with an outstanding season receives the sportsmanship award. It must have been a hard decision to make, because all the girls on the team were great sports and could have easily won the award.

this year's Eagle was not published and handed out on time, due to many unexpected problems that have occurred through the year. We would like to thank all the American School students for their patience. Also we thank Mr. Hamlet, Dr. Winslow, and Miss Botino for their instruction, organization and time. Thanks to Mr. Rutherford, Mr. Hutchinson, and Mr. Roland for taking a countless number of pictures, as well as developing them. Last but not least the body of the annual —the staff.
